| 5000 CFS, very woody                                                            |

1350 CFS, good level.

excellent beginner run

run

beginners on the middle, too many swims  
rapid, husum is pretty mellow and runnable  
way down middle run. Saw evan garcia

400 CFS, aweome wave

Right side after bridge.

weir. Great flow to teach and play.

was at 6300 cfs, great level, smaller eddy's,  
was at 4700 cfs, not so good level, first 3  
great raft surfing hole, rodeo hole good freo  
left on the tongue. No wood.

after conflue big hole center right. 3rd place  
Boof ledge holes

and challenging at higher flows.

1100 CFS. Good level. Demoed an axiom.

these flows. Fun river though.

wave on the right

aren't in play

two rapids, right or left for screaming left,

above rodeo hole  
center and center, step up form play run  
Fun run, totally road side.  
1100 is fairly low but still super fun  
piece of wood was burried  
flow, great surf waves and boofs. Major  
wash out...  
trains.  
all road scoutable, do scout  
450 of efl gauge. Awesome level.  
1310 on the gauge. Low but good.  
7.25 ft. good level  
pipeline bridge starts class IV's), was low  
2200 cfs, kinda inbetween flow  
seal launch, scout drops on trip up. 4 big  
1400 cfs, perfect level, not much to say  
big, push left to avoid. Don't think it will  
kinda boring. No spectualr surf waves.  
run far far left on pinch (perfect paddle  
5 ft is big. Make sure everyone is solid
